

**Maite Babio-Galan**  
**Research Nurse in Perioperative and Critical Care**  
**Newcastle upon Tyne Hospitals NHS Foundation Trust**

Since completing my Nursing Diploma in Spain in 1999 I had the opportunity to work in different specialities in Spain, Portugal and the UK. I found my passion in Critical Care and sought further training at Cardiff and Northumbria Universities, following which I completed the Postgraduate Certificate in Education in Professional Practice and became Fellow of the Higher Education Academy. Interested in improving communication with the critically ill through research and education.
